25X1	Comment. As compared with July 1953, incoming hard coal shipments decreased from 196 carloads daily to 149 carloads.
25X1 25X1	Comment. After mid-July, bauxite shipments from Hungary were directed through the Forka border station, while they previously arrived via Fad Schandau. During the reported period, a total of 16,680 tons of bauxite entered East Germany.
